

Sponsorship and Partnerships Brochure

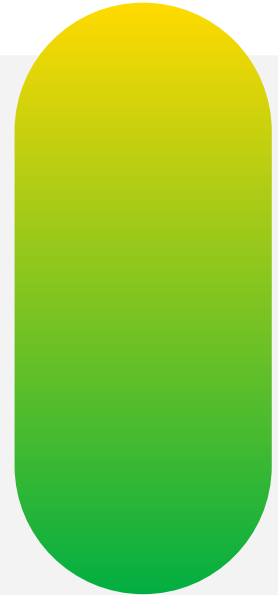

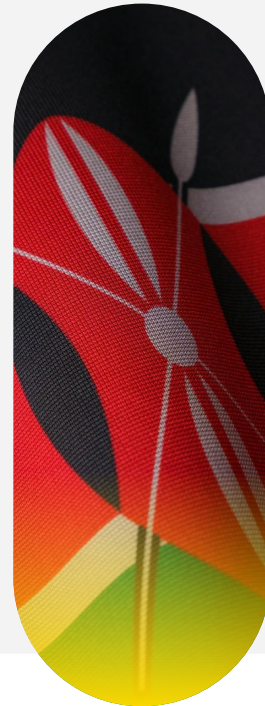

Partner with Africa's Digital Future

ORGANISERS

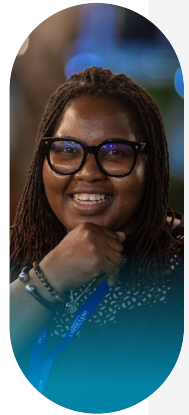

The AIS'26 is hosted by TESPOK, bringing the summit to one of the continent's most vibrant digital ecosystems.

The Africa Internet Summit 2026 is Africa's leading platform for shaping the future of the Internet ecosystem. From 22–26 June 2026 in Nairobi, Kenya, AIS'26 will bring together a powerful mix of **stakeholders**—from network operators and regulators to global technology companies, investors, and innovators.

By becoming a sponsor or partner, your organisation is positioned at the centre of influence, innovation, and opportunity across Africa's digital landscape.

Why Sponsor AIS'26

Sponsoring AIS'26 offers more than visibility—it delivers meaningful engagement and strategic positioning.

You will showcase your brand to a high-level, pan-African and global audience across both physical and digital platforms, ensuring strong and sustained visibility.

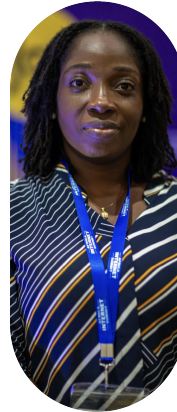

You will gain direct access to decision-makers, including policymakers, regulators, infrastructure providers, and enterprise leaders shaping Africa's Internet future.

Your organisation will be aligned with critical conversations around connectivity, governance, cybersecurity, and emerging technologies—reinforcing your position as a thought leader.

Most importantly, AIS'26 creates space for real business outcomes—enabling you to build relationships, explore new markets, and unlock partnerships across the continent.

A Strategic Advantage

Sponsoring the Africa Internet Summit 2026 positions your organisation at the forefront of Africa's digital transformation. AIS'26 brings together key decision-makers, industry leaders, and innovators from across the continent and beyond—creating a powerful platform for visibility, influence, and engagement.

As a sponsor, you gain direct access to high-level stakeholders, strengthen your brand presence, and align with a trusted platform driving the future of Africa's Internet ecosystem. Through a blend of onsite and digital exposure, AIS'26 ensures your brand reaches the right audience—before, during, and beyond the event.

Join us in shaping Africa's digital future while unlocking meaningful partnerships and opportunities.

Become a Sponsor

Join us in building a resilient, inclusive, and innovative Internet ecosystem for Africa.
